PART I—Section 2.

GENERAL.

No. 75—E. A. G. 41, dated 24th November 1916.

The following rules shall regulate appointment to clerkships and other similar posts in Government service :—

Note 1.—The rules do not apply to appointments in the General and Revenue Secretariat which are governed by the rules contained in the Secretariat Manual.

Note 2.—They do not preclude Heads of Departments and offices demanding special training or qualifications in addition to those laid down here in appropriate cases.

Note 3.—The rules will not prevent confirmation of persons in acting appointments held by them on the day the rules come into force provided that such persons are eligible for confirmation according to rules previously in force.

Note 4.—For the purpose of these rules progressive salaries shall be calculated as the maximum pay of an appointment.

1. No person shall be eligible for appointment to a post carrying a pay of less than Rs. 25 per mensem but classed as superior in the Mysore Service Regulations unless he has passed the Lower Secondary Examination and the Clerkship Examination (Lower), and unless the officer appointing him is satisfied as to his ability to read and write Kannada with facility.

2. No person shall be eligible for appointment to a post carrying Rs. 25 per mensem and upwards unless he has passed the Matriculation Examination of an Indian University or obtained the completed Secondary School-Leaving Certificate and has passed in addition the Clerkship Examination (Higher).

3. In addition to the general educational qualifications mentioned in Articles 1 and 2 candidates before appointment to particular posts or before promotion to or confirmation therein, may be required to pass such tests of a special or technical nature as may from time to time be declared by Government to be applicable.

4. In making new appointments weight should be primarily given to the educational qualifications of the candidates. But where such qualifications are about equal or not very disparate, preference should be given to candidates belonging to backward classes.

5. No person who is not a native of Mysore by birth or domicile shall be entertained in service without the permission of Government.

6. In making appointments to clerical posts, especially those carrying a small pay, preference shall, as far as possible, be shown to the natives of the district in which the appointment is held.

7. Promotions shall ordinarily be according to seniority combined with capacity and character. If the supersession of any person is found necessary, the sanctioning authority should record his reasons therefor. But this rule of seniority does not prevent the rapid advancement of officials possessing exceptional abilities or qualifications, provided that the reasons for such promotion are reported to Government.

8. Heads of offices of and above the rank of Deputy Commissioners may in particular instances permit a relaxation of Rules 1 to 3 in the case of temporary and acting appointments not exceeding six months in duration, provided that the pay of the post does not exceed Rs. 50 per mensem and provided further that efforts have been made without success to secure passed candidates. A return showing the exemptions granted under this rule shall be submitted once a quarter to Government.

9. Every officer empowered to make appointments shall maintain a register of applicants for public employment noting therein each candidate's name, father's name, caste, date of birth, native place, educational qualifications, tests passed with dates, reference to testimonials and recommendations, names and appointments of relatives, if any, then or previously in Government service and any other details that may be found necessary or needful.

10. No name shall be entered in the register unless the officer is satisfied by the personal examination of the applicant or by trustworthy materials that he is likely to turn out a useful servant of Government.

11. No permanent vacancy should be filled without calling for applications from eligible candidates by means of advertisement in the official Gazette and duly considering them.

12. No permanent appointment of clerkship (or temporary appointment for more than six months) in any office will be accepted by the Audit Department or the Treasury unless the first entry of the new name in the pay bill is supported by a certificate showing that the foregoing rules are observed.
